MICHAEL JACKSON

Why Michael Jackson?

The reason i like Michael Jackson is because he creates good music and changed the pop music scene. He also inspired many new artists to make good music. During my childhood, me and my parents would always listen to his music. From there on, he inspired me to make music also. I will always try to make music like him. His swag also plays a big role in his success.

WONG KAR-WAI

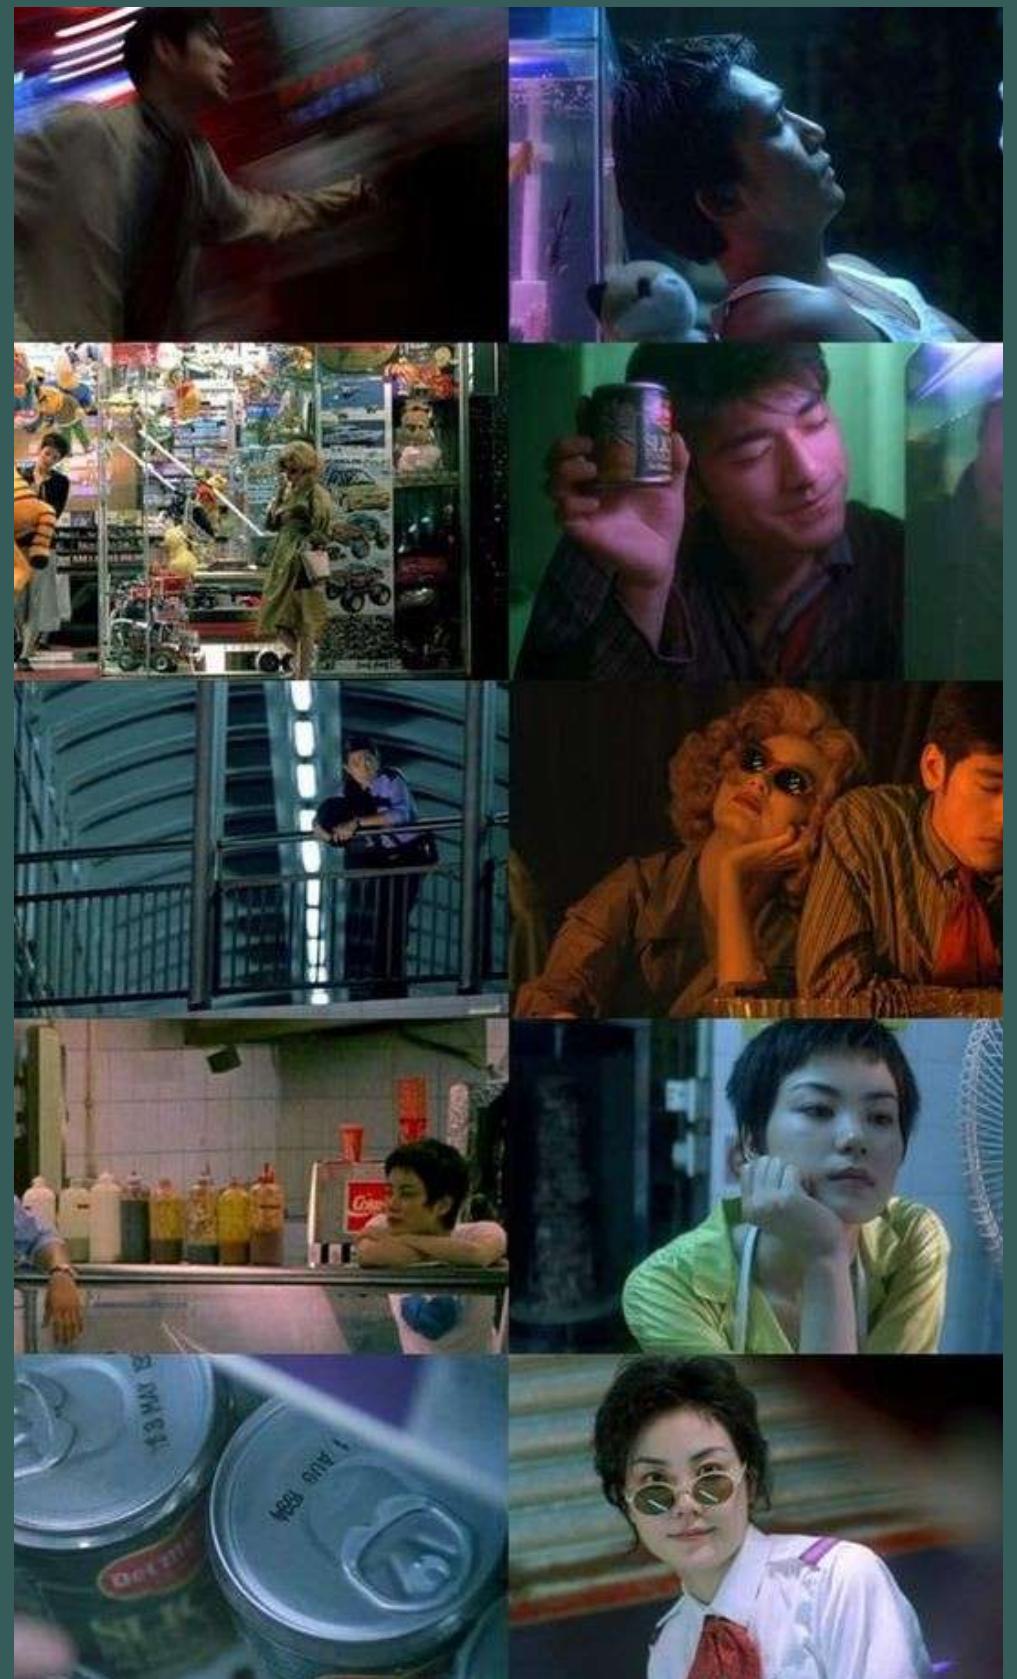

Wong Kar Wai films has always motivate me to make new films because of the way he shoots it. His style of cinematography is very unique and trippy. Sometimes, I will watch his movies just to see the cinematography. Jis colour grading also plays a big role.

Watching his movies like Chucking express and fallen angel inspires me to take movies and pictures using his ways of cinematography so that it will be pleasing to humans eye.

He was the main reason i decided to take short films and upload it to YouTube. Watching his moviesale me want to make movie myself. I tried to follow his style of direction which is why he is my idol

WHY IS HE MY IDOL?

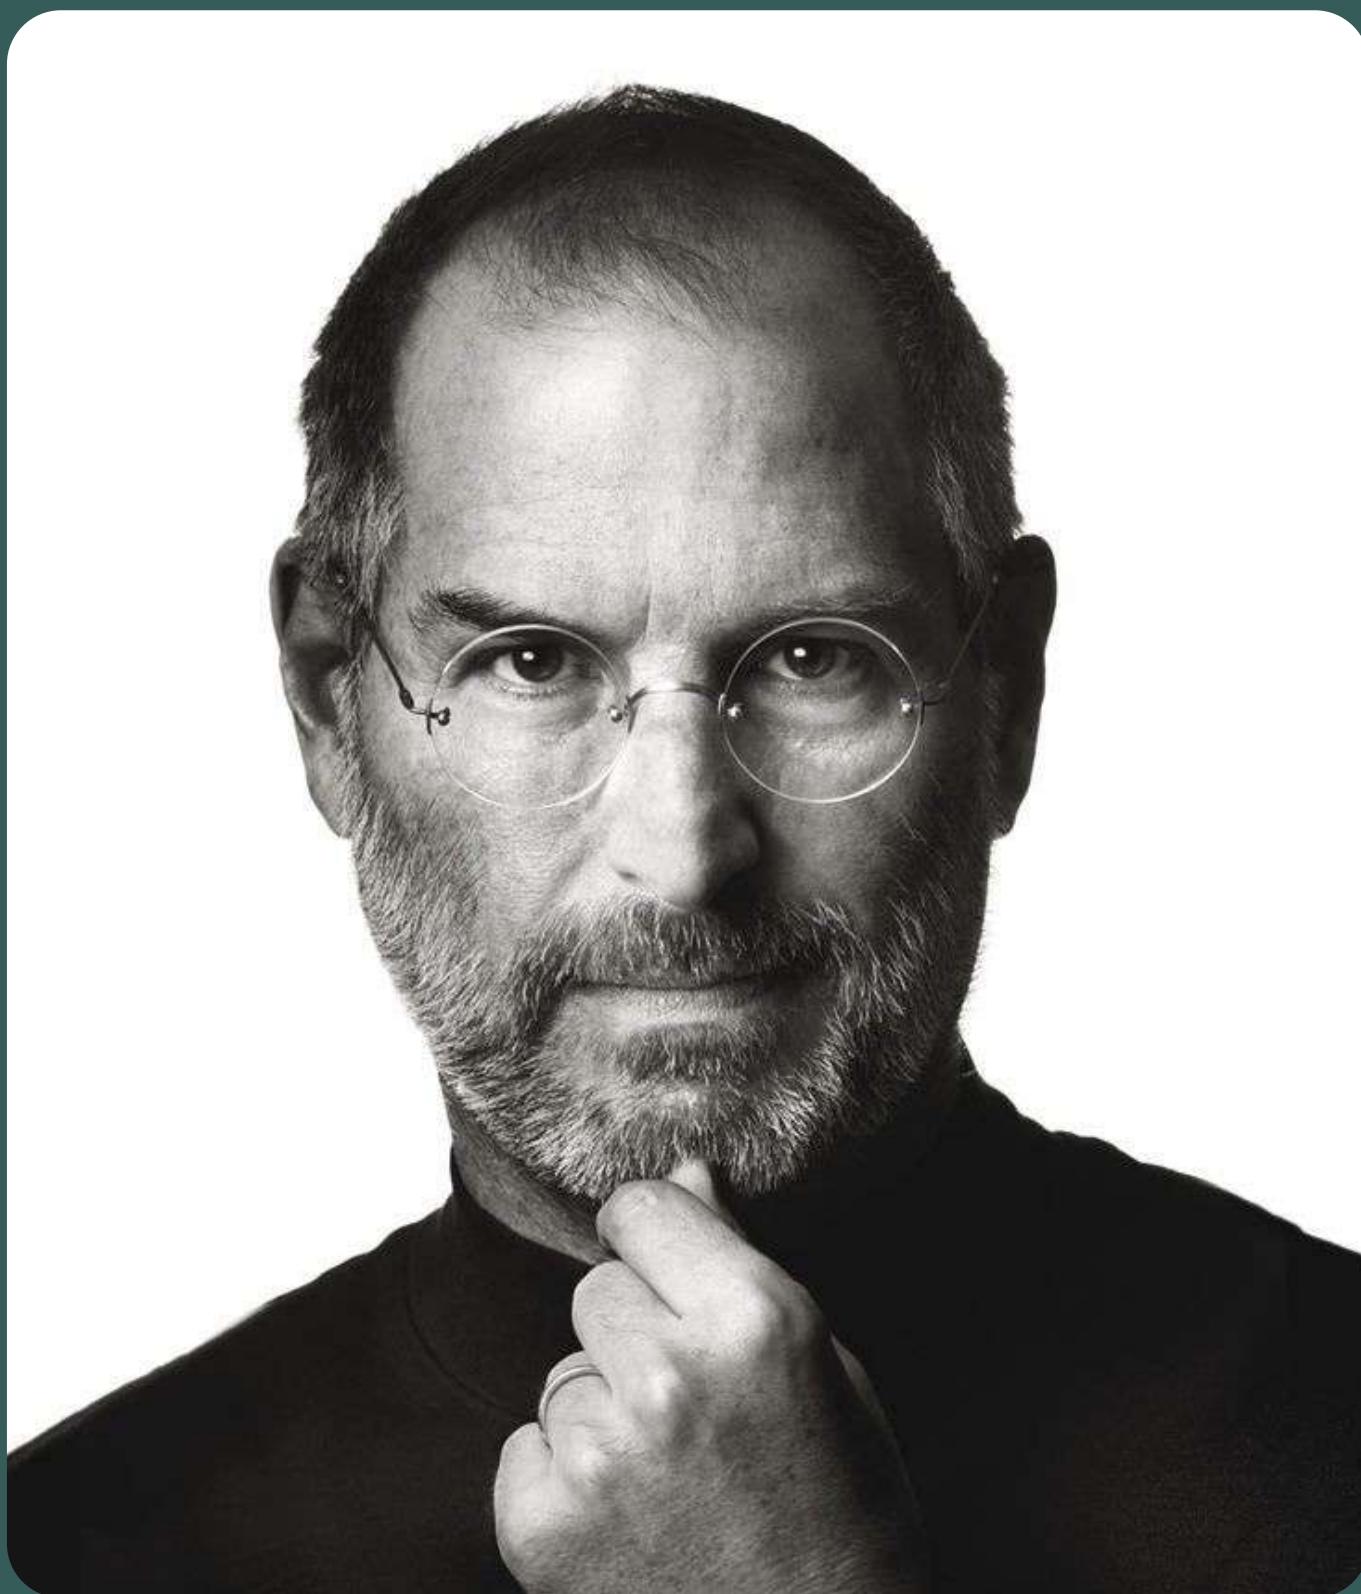

ONE OF HIS QUOTES

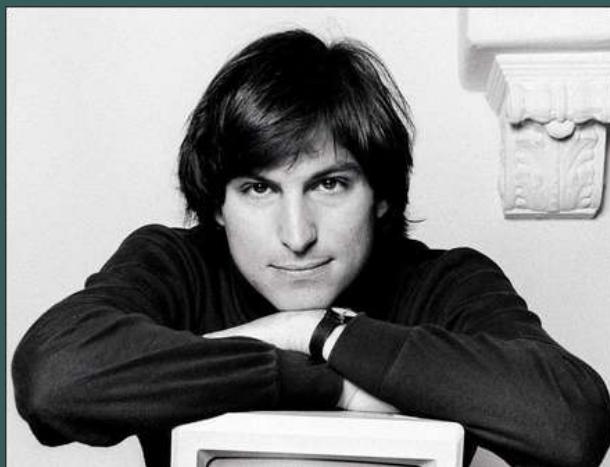

I DON'T DO REHEARSAL. SOME DIRECTORS PREFER TO DO REHEARSAL - READINGS BEFORE THE ACTUAL SHOOTING - BUT I DON'T LIKE THIS PROCESS BECAUSE I THINK THERE ARE CERTAIN THINGS THAT ARE SO SPONTANEOUS, AND THEY CANNOT HAPPEN TWICE.
